Subject: Appointment letter for internship

Dear Mrinal,

I am directed to inform you that based upon your CV and interaction; you are selected to work as an intern in CEEMS for **development of devices for topical pain relief**. The appointment as intern is effective from **01/04/2024** on a temporary basis up to December 31, 2024 at a fellowship amount of INR **5000/-**per month as per TIET rules. During the said period there will be no increment in the fellowship. We will be expecting a technical report detailing the work done, at the end of every quarter.

In case, you accept the offer, please return the duplicate copy of the appointment letter signed by you.

Rajeev Mehta
